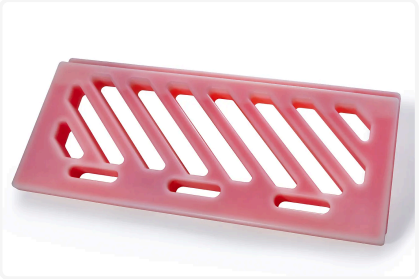
| WMC-8030 | Eutectic cooling plate Cargo 1300/1300 TW - 835x353x45mm - +3°C |

## BRAND

Melform



## PRODUCT DESCRIPTION

Eutectic plates ensure long-lasting temperature retention without power supply
Robust and ergonomic design for easy handling and placement
Size is perfectly compatible with Cargo containers MCL-1300, MCL-1301, MCL-1306, and MCL-1311
Internal liquid is non-toxic and exterior is food-safe PE
Stored thermal energy: 340 Wh
Freeze for a minimum of 24 hours at -10°C before use
During freezing: place vertically with the cap on top, or horizontally with the cap facing up
Keep at least 4 cm distance between plates
Properly conditioned when the liquid is fully frozen; shaking the plate allows you to check if the contents are fully frozen
Optimal performance is only guaranteed when the plate is fully frozen
